Baker County Health Department is available to all, that no individual is excluded from participation, denied benefits, or subject to discrimination on the grounds of race, color, or national origin, age, sex, disability, sexual orientation, religion, culture and/or financial status.

Funded in part by a grant from the
US DHHS - OPA

Baker County Health Department Services

3330 Pocahontas Road
Baker City, OR 97814
(541) 523-8211
(541) 523-8212

Babies First: A RN assesses the developmental progress of the newborn. Parents are assisted with services that are available to them.

Birth and Death Certificates: Records up to 6 months from date of birth and up to 6 months date of death

CACOON: Assists parents of children with developmental challenges. Referrals to specialists as needed.

Family Planning: Services for teens and adult women who have not been sterilized. This program provides birth control, education, and physical exams for those who can bear children.

Healthy Start: Free home visits and other community resources for first time parents.

Immunizations: Required childhood immunizations and adult vaccines

Pregnancy Testing: This is a urine specimen test. Client must be at least 10 days past date menses should have begun.

School Based Health Center: Located at Baker High School. We provide acute care, sports physicals, health education, immunizations, and other services for all Baker County Schools.

Sharps Containers: Recycle full sharps containers and/or purchase a new one for a fee.

STI Testing and Exams: Testing done for these sexually transmitted diseases: Chlamydia, Gonorrhea, HIV, Syphilis, Hep B, and Hep C.

Tobacco Prevention and Education Program:

Promotes the facilitation of movement toward a tobacco-free community and reducing the burden of tobacco-related chronic disease.

Quit Line Information: 1-800-QUITNOW (1-800-784-8669)

Water Testing Kits are Available

WIC: Health Foods and Nutrition Information Supplemental nutrition education program that helps families identify healthy nutrition choices that work for them

MORE ABOUT THESE SERVICES:

Services are provided confidentially

Most services require a fee. The Oregon Health Plan (OHP) and private medical insurances can be billed.

Services provided are available at most county health departments in the state of Oregon.
